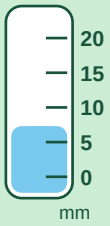
EDERNEY WEATHER STATION / SCHOOLS WEATHER CORNER

My Rainfall Diary

Measure, record and compare five days of rain.



Name _____ **Week of** _____

Read the gauge at the same time each day. Write down the depth in mm.
Empty the gauge after each reading so it is ready for the next day.

Day / date	Time	Rain (mm)	What did you notice?

Which day had the most rain?

_____

How much rain fell over all five days?

_____

How could you make your measurements fair?

_____
